Indian River Bee Company is proud to offer our delicious **100% Raw Honey** from the Indian River area of Florida. Indian River is famous for producing some of the best tasting oranges, grapefruits and honey in the world. All our honey is 100% raw and unprocessed. All our honey comes straight from our honeycombs into our honey bottles.

Besides the many well-known nutritional benefits that **Raw Honey** offers, **Raw Honey** also provides an all-natural energy boost.

**Raw Honey** is an effective natural remedy. It can be applied topically or taken internally to help treat infections and many other health concerns.

**Raw Honey** helps:

Treat colds and sore throats!

Treat allergies!

Leave you with sparkling clean, soft skin!

Treat acne!

Treat skin burns, rashes and abrasions!
