DOUG MOSER
ASSOCIATE DIRECTOR

Dear Sponsor:

The Sebastian River High School Band provides an outstanding musical experience for more than 200 students. In the school's history, the band has been widely recognized for musical excellence and has performed at national, regional, statewide events which include performances at the University of Florida, Stetson University, three times at the Bands of America National Concert Band Festival at Butler University in Indianapolis, the Midwest Clinic, an international conference in Chicago, the Florida Music Educators Association Conference in Tampa, Florida, the College Band Directors National Association Southern Division Conference in Columbus, Georgia and other festivals in New York City, Boston, Atlanta, Nashville, Washington D.C., and New Orleans.

In addition to bringing much pride and spirit to our community through various parades and events, our award-winning marching band has earned numerous Grand Championships at marching competitions throughout Florida and Georgia. If you have ever seen our annual PRISM concert, you know why the marching sharks are the "Heartbeat of Sebastian"! The band students are some of the most hard-working and dedicated students you'll find anywhere.

The purpose of the Sponsorship Program is to provide an opportunity for individuals and businesses to partner with the Sebastian River High School Band Boosters in support of the SRHS Band Program. The SRHS Band Boosters is a non-profit organization whose sole purpose is to provide financial and volunteer support for the Sebastian River School Band. There are five levels of sponsorship, each with an increasing dollar amount. When a student obtains a sponsor donation, the money will then be split 50/50 between the SRHS Band Boosters and the student. The student's portion will be "earmarked" for them individually so they can use it for band fees, band uniform items, trip payments, and other approved band related expenses. **All Sponsors are recognized on our Band Website and Social Media Accounts and will have their names listed in the Football and Prism Programs!**

Your sponsorship donation will not only help the student you are sponsoring pay for their band related expenses and fees, but it will also help the entire band program by providing financial support for necessary musical equipment, instrument repairs, instructional materials, guest clinicians, sectional teachers, concert/festival expenses, uniform expenses, transportation, and meaningful enrichment activities that enhance the student's musical experience.

Thank you for your support!

Blake Hordé
SRHS Associate Director of Bands
